

60

A technical drawing of a rectangular louvered vent. The drawing shows a perspective view of the vent with five horizontal louvers. The louvers are slightly curved and are mounted on a rectangular frame. The drawing includes two dimension lines: one at the top left indicating a height of 60, and one at the bottom indicating a width of 540. The number 60 is written vertically, and the number 540 is written horizontally. The drawing is a black and white line drawing.

540
